

First of all I would like to thank God for giving me a second  
Chance in life and a second chance with the horses. I want to  
Thank all of the doctors here in Okla. And currently at  
M. D. Anderson Cancer Center in Houston Texas because without  
Them I would not be here today.

I want to thank my family, Friends and all the employees  
That have helped me to achieve this honor. I especially  
Want to thank Glen Cantrell for Nominating me for this  
Award. Glenn has been a long time friend and business  
Partner (we owned Sonny Go Lucky together back in the 70's  
I want to thank Bud and Sharon Breeding for having the foresite to  
To honor horseman and horses in our great state.

The horses have been my life for 45 of my 66 years and I am  
Truly grateful for what they have done for me and my  
Family. I am not very good at speeches and with all my  
Treatment it has effected my short term memory so you all  
Will have to forgive me.

I hope we continue to Honor many more horseman and  
Horses from our great state.

I . Am Humbly proud and thank you for all your prayers and this  
Great honor.
